Introduction

The Purpose of the QRU Intellectual Property Registry™

As QRU™ grows, the value of the organization will exist across multiple asset categories:

- Brand identity
- Methodologies
- Knowledge systems
- Databases
- Educational products
- Artificial intelligence workflows
- Standards
- Research infrastructure

The QRU Intellectual Property Registry™ exists to identify, organize, and protect these assets.

Its purpose:

“Know what QRU creates, understand why it matters, and preserve the systems that create future value.”

Section 1
