TRADING IS LIKE DATING

Don't fall for every exciting setup.

Know your standards.

Set boundaries.

Protect yourself.

Learn from experience.

A healthier trader does not rely on impulse or overconfidence.

A healthier trader uses a written plan, controls position size, and reviews decisions with honesty.

Choose carefully. Protect yourself. Grow with discipline.

Educational only - not personalized financial advice.

Memory Sentence(TM)

Trade like you date wisely: know your standards, respect your boundaries, and do not let excitement make the decision.
