No part of this book may be reproduced in any form or by any electronic or mechanical means, including information storage and retrieval systems, without written permission from the publisher, except by a reviewer who may quote brief passages in a review.

This work is provided for general educational purposes. It has been prepared with care and reviewed for accuracy; where a subject carries real-world consequences, consult a qualified professional. See the governance and disclaimer notes that follow.

First Edition

ISBN: (assigned at publication)

Published by QRU Press.

AI content disclosure: AI-assisted manufacturing; human-reviewed and human-approved.

FRONT MATTER

© 2026 QRU. All rights reserved.

All rights reserved.

Product Governance Package(TM)

- This material is educational and reflects governed knowledge at time of manufacture.

Manufactured by the QRU Factory(TM) from a Verified Knowledge Record(TM). AI assisted drafting and advisory scoring; all governed standards were checked by the Factory. AI advisory never approves, certifies, or publishes - governance authority is human/constitutional.

Accessibility: Plain-language explanation, defined vocabulary, and alt-text for visuals where applicable.

Practice

- Choose one AI-generated answer and verify its claims using reliable sources before accepting it.
- Look at an AI tool you already use and identify what data it may use, what task it automates, and where human judgment is still needed.
- Discuss a real-world AI use, such as hiring tools or medical decision support, and list possible benefits, bias risks, privacy concerns, and accountability questions.

COLOPHON

AI Literacy - Lesson Plan was set in a classic serif text face chosen for comfortable long-form reading, with display typography in a complementary sans-serif.

Interior design and typesetting by QRU Press - QRU Publication Quality Standard(TM).
