Scene 7 - Sleep Hygiene: What Helps

Chapter 9

Scene 8 - When to Seek Help

Chapter 10

Scene 9 - Final Memory Line

CHAPTER 1

QRU Factory Acceptance Test - Understanding Sleep and Rest

Topic: Why do humans need sleep, and can rest replace it?

Length: ~90 seconds

Format: Educational short video with narration, visuals, and on-screen text

Tone: Warm, clear, trustworthy, practical

CHAPTER 2

Scene 1 - Opening Hook: "Is Rest Enough?"

Time: 0:00-0:08

Visuals:

A tired adult sits at a desk late at night, rubbing their eyes. Cut to the same person lying on a couch during the day with eyes closed, trying to "rest."

Narration:

"Have you ever wondered: if I rest during the day, can that replace a bad night of sleep?"

On-Screen Text:

Can rest replace sleep?

CHAPTER 3

Scene 2 - The Core Answer

Time: 0:08-0:18

Visuals:

Split screen: one side shows a person calmly resting in a chair; the other shows a person asleep in a dark, quiet bedroom. Gentle animation highlights the brain, heart, immune system, and muscles during sleep.

Narration:

"Rest helps reduce physical or mental strain. But sleep is different. Sleep is a biologically essential process that supports the brain, body, and emotions."

On-Screen Text:

Rest reduces strain.

Sleep restores systems.

CHAPTER 4

Scene 3 - What Sleep Supports

Time: 0:18-0:34

Visuals:

Clean icon sequence: brain, shield/immune system, heart, metabolism symbol, calm face, recovering muscles.

Narration:

"During sufficient, high-quality sleep, your body supports brain function, immune regulation, cardiovascular health, metabolism, emotional regulation, and physical recovery."

On-Screen Text:

Sleep supports:

- Brain function
 - Immune regulation
 - Heart health
 - Metabolism
 - Emotional balance
 - Physical recovery
-

CHAPTER 5

Scene 4 - The Car Analogy

Time: 0:34-0:48

Visuals:

A car pulls into a parking spot and cools down. Then transition to the car entering a service garage where technicians run checks and repairs.

Narration:

"Think of it this way: rest is like parking a car so the engine can cool down. Sleep is like taking the car into the shop for essential maintenance, system checks, and repairs."

On-Screen Text:

Rest = pause the drain

Sleep = do the repair

CHAPTER 6

Scene 5 - How Much Sleep Do We Need?

Time: 0:48-0:58

Visuals:

Simple timeline graphic: adult icon with "at least 7 hours," child and teen icons with "more."

Narration:

"Most adults need at least seven hours of sleep per night. Children and adolescents need more because they are still growing and developing."

On-Screen Text:

Adults: at least 7 hours/night

Children & teens: more

CHAPTER 7

Scene 6 - What Happens When Sleep Is Too Short

Time: 0:58-1:13

Visuals:

A person after several late nights: irritable at breakfast, choosing high-calorie snacks, losing focus at work, reacting slowly while driving.

Narration:

"When sleep is repeatedly too short, people may feel more irritable, struggle to focus, crave more high-calorie foods, and react more slowly. Over time, chronic insufficient sleep is associated

with higher risks of obesity, diabetes, high blood pressure, cardiovascular disease, depression, accidents, and impaired thinking."

On-Screen Text:

Chronic insufficient sleep is linked with:

Poor focus ? Accidents ? Depression ? Obesity ? Diabetes ?
Hypertension ? Cardiovascular disease

CHAPTER 8

Scene 7 - Sleep Hygiene: What Helps

Time: 1:13-1:30

Visuals:

Evening routine montage: setting a regular alarm, putting phone away, dimming lights, avoiding late coffee/alcohol, closing curtains, quiet bedroom.

Narration:

"To support better sleep, keep a consistent sleep and wake schedule, limit caffeine and alcohol near bedtime, reduce evening light and screen exposure, and create a dark, quiet sleep environment."

On-Screen Text:

Better sleep habits:

- Consistent schedule
 - Limit caffeine/alcohol near bedtime
 - Reduce evening light/screens
 - Dark, quiet room
-

CHAPTER 9

Scene 8 - When to Seek Help

Time: 1:30-1:42

Visuals:

A person talking with a healthcare professional. Soft, reassuring tone. Icons for insomnia, daytime sleepiness, snoring, sleep apnea concern.

Narration:

"And if you have persistent insomnia, excessive daytime sleepiness, loud snoring, or suspected sleep apnea, seek clinical care."

On-Screen Text:

Seek care for:

Persistent insomnia ? Excessive daytime sleepiness ? Loud snoring
? Possible sleep apnea

CHAPTER 10

Scene 9 - Final Memory Line

Time: 1:42-1:50

Visuals:

Calm bedroom scene. Person turns off lamp, room becomes dark and peaceful. QRU-style closing card.

Narration:

"Remember: rest can pause the drain, but sleep does the repair."

On-Screen Text:

Rest can pause the drain.

Sleep does the repair.

End Card

Visuals:

QRU branded clean background with soft night colors.

Text:

Understanding Sleep and Rest

Sleep is not doing nothing.

It is essential biological maintenance.

COLOPHON

QRU Factory Acceptance Test - Understanding Sleep and Rest - Short Video was set in a classic serif text face chosen for comfortable long-form reading, with display typography in a complementary sans-serif.
